### ARTSCAPES – A LIVING ART EXHIBITION

This agreement between the Maui Association of Landscape Professionals (MALP) and the Exhibitor below is to ensure success for both parties at the fifth annual 'ARTSCAPES, a Living Art Exhibition' at the 19<sup>th</sup> annual Maui Lawn and Garden Fair, to be held on Saturday, June 14, 2014, from 10-3 at the Maui Mall. MALP agrees to provide to the first 8 responding entrants:

- A space approximately 7ft. x 9 ft. (depending on space available)
- Event advertising
- Electricity (upon request in your signed agreement), and
- Security on Friday night.

MALP will also provide 3 judges to award prizes for the winning entries. First place (\$300), Second (\$200) and Third (\$100). In addition, there will be a 'People's Choice' award. To encourage participation and growth of this event by Maui artists and landscapers, MALP is offering this opportunity free of charge again this year.

EXHIBITORS are required to submit a simple sketch or plan of their proposed display, along with this signed agreement and any special considerations, such as a need for electricity, extra set-up time on Friday, etc.. Exhibitors agree to set up their display with the following in mind:

ARTSCAPES is a Living Art Exhibition, therefore a minimum of 50% of the materials in your display must be plants, flowers or natural materials. The greater the percentage, the better it will affect the Judge's scoring. The display space will be open for set up on Friday afternoon, from 3-5, and Saturday at 7:30 a.m. Set up must be completed by 9:30 a.m. on Saturday. Removal of your display must be made on Saturday, between 3:00 and 5:00, and your site must be cleaned up and returned to its original condition by 5:00 p.m. So that judging will be impartial, any identification or advertising may be placed only after 10:00, when judging is completed and the display opens to the public.

Please note that your signature below means that you are committing to install your display. We want this to be a quality event and therefore, no empty spaces. Any questions may be addressed to MALP through Gary Mohrlang at 298-8413 or by email. As spaces are limited, they will be given to the first 8 entrants who return this completed form and a simple sketch or plan to [gmohrlang@gmail.com](mailto:gmohrlang@gmail.com).
