

Individuals holding PLANET certifications must recertify every 2 years by reporting 24 CEUs earned during the recertification period. CEUs may be earned and reported in both Educational and optional Service categories. The good-through date on your certification wallet card indicates when the completed recertification form is due with the \$85 recertification fee. Unless otherwise noted, please keep your attendance documentation on file in case requested in a random audit process. Visit the PLANET [Recertification Center](#) often for updates at LandCareNetwork.org.
