

Edible Landscaping

Are you a restaurant, hotel or property owner interested in leveraging your landscaping for food production?
Or a landscaper interested in installing gardens for clients?

Learn how to design, implement and maintain a professional edible landscape and garden to supply your business or ohana using vegetables, fruit trees and herbs. Each participant will complete a design project based on skills and concepts learned in this 18-hour professional training course.

Tuesdays 3PM - 6:30PM • Jan 14 -Feb 4

Sat 9AM-1PM 1/25 (5x) • \$329
